## Why hotels offer these substantial savings

The special rates in this guide are **"BASED ON AVAILABILITY."** This means that coupons will generally be accepted unless the hotel believes that it can sell its remaining rooms at the regular published rate. Like many other items, the price of a hotel room changes according to supply and demand. When business is slow, a hotel may offer a limited number of rooms at a low rate to attract additional guests. **During busier times (special events or peak periods), that same hotel may charge full price and not accept coupons or other discounts. Similarly, coupons will not be accepted if you have guaranteed advance reservations made at a higher rate.** It is easy to find out if a hotel has discounted rooms available. Just call ahead and ask the hotel operator if the special coupon rate is available tonight and that you would like to use a HotelCoupons.com coupon. They will be happy to let you know if the coupon rate is available.

# HotelCoupons.com Best Beach Towns

By Gleni Bartels

Soak up the sun with a beach getaway! After all, is there a better way to feel like you're truly on vacation than by watching the sun set over the ocean with the sand between your toes? You can find the full list of the Best Beach Towns to Visit at [bit.ly/hcbeaches](http://bit.ly/hcbeaches)

## Tybee Island, Georgia

With its beautiful white-sand beaches & charming clapboard houses, it might be easy to forget that quiet beach town Tybee Island is located only half an hour from bustling Savannah. By land you can visit the two historic military

forts on the small island or the Tybee Museum. By the water enjoy sailing, crabbing, fishing, and even swimming with bottlenose dolphins. There's plenty to keep a family busy at an island pace relaxed enough to feel like a vacation.

THE ONLY TRIP YOU WILL REGRET IS THE ONE YOU DON'T TAKE.
